DETAILED ACTION

Claim Rejections - 35 USC § 102

1. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.
2. Claims 1-4, 6, 8-15, 17 and 19-24 remain rejected under 35 U.S.C. 102(b) as being anticipated by Thompson et al., US 6,391,840 for the reasons of record in the previous office action.

Claim Rejections - 35 USC § 103

3. Claims 5, 7, 16 and 18 remain rejected under 35 U.S.C. 103(a) as being unpatentable over Thompson et al., US 6,391,840 in view of Beerseet al., US 6,294,186 or Wenthen et al., US 6,494,920 for the reasons of record in the previous office action.

Response to Arguments

4. Applicant's arguments filed April 10, 2007 have been fully considered but they are not persuasive. Applicant argues that the recitation of "consisting essentially" scope for a composition containing hydrogen peroxide overcomes the disclosure of a composition comprising hydrogen peroxide and a bleaching catalyst. This is not persuasive because the presence of a bleaching catalyst would not affect the basic and novel characteristics of a bleach. To the contrary, a bleaching catalyst could only improve the bleaching performance of the bleach. Attorney arguments that the presence

Art Unit: 1751

of a catalyst would result in reduced performance are not entitled to patentable weight in the absence of evidence.

5. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.

6. Any inquiry concerning this communication or earlier communications from the examiner should be directed to the examiner, Dr. John R. Hardee, whose telephone number is (571) 272-1318.
